24. Aims of the School

The aim of Wynberg-Allen School is to fit boys and girls socially, educationally, culturally and spiritually to take their place in modern India and to contribute to their total welfare.

Our intention is that in Wynberg-Allen all children of the Christian community should by worship and instruction, be led to a personal knowledge of Jesus Christ as Saviour and Lord and be built up in the Christian faith. The same privileges are offered to all other students in the school.

Since this is a Christian School each member of staff is expected to help by example and precept. Staff are expected to attend morning prayers and assembly with the children. Though all members of staff retain their own denominational loyalties they are expected at regular intervals to attend Union Church, Mussoorie, which is the Church of this School.

I have carefully read the above "Aims of the School" and undertake, if selected, to do my best to help in their attainment. I have also completed the foregoing questions as accurately and honestly as possible.
